E-MAIL: asm@austinseminary.edu
WEBSITE: www.asmweb.org

Dear Society Colleagues:

Enclosed you will find information about the 2008 annual meeting of the ASM, to be held June 20-22, at Techny Towers on the Chicago northside. As you will see, President Darrell Guder has planned a very stimulating program for us on the theme “Envisioning Apostolic Theology: As the Father Sends . . .”

As usual, we are also registering for the Association of Professors of Mission (June 19-20), for a meeting of the ASM Student Fellowship (June 20-22), and for both the Methodist (June 19) and Presbyterian (June 19) mission professors groups. All necessary materials for these gatherings is also enclosed in your packet.

The registration form in your packet may be returned by mail or FAX. Some of you will note that fees for the annual meetings have increased this year. The increases reflect the new pricing that is given annually to the Society by our hosts at Techny Towers.

If you have questions about registration, please contact Hilda Harnden at (512) 404-4858 or hharnden@austinseminary.edu. Due to sabbatical research, I shall not myself be present at the annual meetings this year, and I am extremely grateful to George Hunsberger for filling in as Secretary-Treasurer *pro tem* during my absence. However, all arrangements leading up to the meetings will be handled by me and Hilda Harnden.

Please consider inviting colleagues who are not members of the ASM to come with you to the meeting. It's a great way to recruit for the Society! We shall be happy to send a special invitation to such colleagues if you will send us an e-mail (hharnden@austinseminary.edu) with the name and address of the persons who should receive such an invitation.

Sincerely,

Arun W. Jones
